CRAFT

Erdinger Weissbier

Wheat Beer 5.3% — It's a cereal thriller, brewed with crystal-clear water from the brewery's own wells. This is the classic wheat beer, produced since 1516.

Fresh and fruity with hints of apple and banana. Light biscuity grains, with subtle spice undertones.

Add a little Bavarian oom-pah to fish, shellfish and white meats, and some extra pizzaz to light curries, salads and fresh fruits.

Liefmans Fruitesse

Fruit Beer 3.8% — A royal selection of wild cherries, strawberries, raspberries, elderberries and bilberries. Liefmans' master blenders have created an exceptionally refreshing fruit beer.

Delightfully sweet, with the sparkle of Champagne and the freshness of a nicely chilled glass of wine.

This fruit-rich beer is – not surprisingly – ideal with any fruit based desserts.

Samuel Adams Boston Lager

American Craft Lager 4.8% — Samuel Adams began in a kitchen, which is why their belief is that no dream is too big. This lager uses only classic ingredients and is hand-crafted with extraordinary care and attention to detail.

A wide spectrum of malt flavours, slightly sweet to roasted caramel, while noble hops add citrus, floral and piney notes

Brilliant with seafood, but also nestles neatly alongside cured meats, smoked sausages – and sweet desserts.

Grimbergen Blonde

Belgian Ale 6.7% — This classic golden, top-fermented blonde beer used to be savoured only by passing pilgrims, visiting celebrants and the Fathers at the Grimbergen Abbey themselves. Now we can all appreciate it!

Slightly fruity, it offers the perfect balance between sweet and bitter tastes, and just the right amount of fizz.

Best shared with friends, accompanied by cheesy snacks and spicy dishes, along with relevant conversation.

Quality controlled cask ale always available at the bar
